

Tutoring Options script

Given by instructor	Slide to show, if possible
<p>At some point during the semester, you may need help beyond that of your teacher. There are tutoring options available at Temple College.</p> <ol style="list-style-type: none"> 1. You can meet with a tutor face-to-face or 2. You can receive tutoring online 	
<p>All of the tutoring options listed here are FREE - that's right, F-R-E-E FREE!</p>	
<p>There are at least two English tutoring options available to students at Temple College, and they are The Educational Assistance Center {EAC} and The Writing Center.</p>	
<p>The EAC tutors are available to assist primarily developmental students with their class assignments, such as proof-reading an essay, explaining grammar rules, or finding the main idea of a passage. EAC tutors also help prepare students to take entrance tests, HESI Admission Assessment, and HOBET V (5). The Writing Center is available to help students in developmental and credit classes with the writing process, including planning,</p>

proofreading, and citations.	
There are many math tutoring options available at Temple College.	
<p>There are math tutors available in the EAC. The EAC provides math tutoring on general developmental math topics. The Mathematics Tutorial Lab provides you great tutoring both at main campus and the Taylor and Hutto Centers. These tutors are familiar with MyMathLab.</p> <p>The Mathematics Tutorial Lab on Main Campus in ISC 107</p>	
If you do not have the time or luxury to visit a campus to utilize one of the tutoring options, you can seek eTutoring.	

<http://www.smarthinking.com/>
 Temple College students have tutoring options available for Basic Math Skills, Algebra, Geometry, Trigonometry, and Calculus. These options are available seven days a week, twenty-four hours a day through the TC SmarThinking website. A list for times that tutors are available for English and other subjects can be found at <http://www.smarthinking.com> SmarThinking is a wonderful free tutoring tool that you have available to you. Go ahead and register for this tutoring service so that the option is available to you when you need it.

If you have a need for general help with TC Webmail, TConnect, or Desire2Learn (D2L), you can seek help from the eLearning Department staff. The eLearning offices are located on the north side of the Arnold Student Center (ASC)

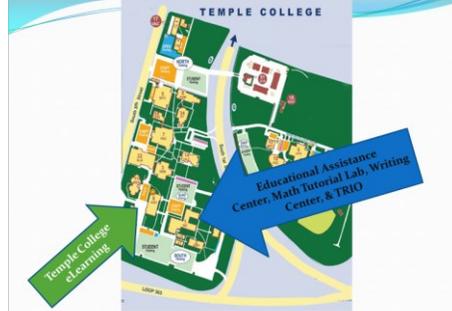

Another place to go for general help with TC Email, Office 365, TConnect, Desire2Learn (D2L) and MyLabsPlus (MLP) is in Watson Technical Center (WTC) where a computer lab attendant is available. This lab is located in room 501 in the Watson Technical Center.

Tutoring is available from early morning until evening time, Monday through Thursday and on Friday mornings.
